

Professional Barrel Gun

YAPI33Y

caulking guns

Technical Data Sheet

Professional Gun for caulking for cartridge and sausage up to 600 ml. This gun has a rotary barrel type body, that allows it to adjust in difficult access areas, it has a smooth bar plunger, that allows the flow of material softly and uniformly. Solid construction for professional use. The thrust ratio (18:1) makes it ideal for application of all type of viscosity products like acrylic, silicones, structure silicones and hybrids sealants and adhesives.
